In 1983 I designed an irrigated pasture plan for Jim Christiansen for irrigated pasture on the desert farm west of Aberdeen. I also helped him plant the pasture and evaluated the pasture later in the summer. I can confirm that the fields ~~of~~ pasture were irrigated at the time. The grasses we planted (Regar Brome) do not establish on desert ground if not irrigated. I have not been back to this ground since 1983.

Scott R. Engle

District Conservationist
Natural Resources Conservation Service

to whom it may concern,

I George Summers of
Gherdeen, Idaho started working
for T.S. Vanderford on March 5, 1954.
I helped install all of
the wells & mainline.

We watered from Strong
Road to Dean Sub Road
on the entire mile on
well # 2 and 3.

well # 4 went to the
drain. However at one time
it went the whole mile.

I did most of the welding
on all the wells that
Mr. Vanderford owned.

Signed

George Summers
