In Re SRBA	) For Water Rights: See attached Exhibit A
	)
Case No. 39576	) NOTICE OF COURT'S INTENT TO
	) ISSUE PARTIAL DECREES TO
	) INCLUDE "SHOULDER REMARK" IN
	) PERIOD OF USE ELEMENT
	)
	)
_____	)

The Director of the Idaho Department of Water Resources filed his *Director's Report for Basin 02, Reporting Area 20, Irrigation and Other Uses* on December 29, 2006. The above-captioned water rights were uncontested. **Partial Decrees** for uncontested rights were issued April 21, 2009. However, the above-captioned water rights were identified as having errors and were withheld from decree. On July 16, 2010, the Court received correspondence from the Idaho Department of Water Resources identifying the errors in the *Director's Report* with respect to the period of use element of the above-captioned water rights. Specifically, with respect to all the above-captioned water rights except 02-2435C, the Court was informed that "shoulder remarks" pertaining to the period of use element should have been included in the *Director's Report*. With respect to water right 02-2435C, the Court was informed that the "shoulder remark" included therein in the period of use element was in error, and should be deleted. Therefore, it is the intent of the Court to issue **Partial Decrees** in accordance with the attached. Because of the nature of the error, in the absence of an objection, the Court intends to issue **Partial Decrees** without having a hearing.

Therefore, IT IS ORDERED that any party wishing to object to the Court's proposed action shall do so no later than **Friday, August 6, 2010**. In the absence of objections, the Court will issue *Partial Decrees* with the included shoulder remark with the exception of water right 02-2435C. In the event an objection is filed the Court will set the matter for hearing.
