Dear Kevin:

On June 28, 2010 the Snake River Basin Adjudication Court issued an order conditionally granting your Motion to File Late Notice of Claim for right 75-14635. This order was issued subject to an Amended Notice of Claim that you were required to file to correct a clerical error in the point of diversion.

Our records indicate that the Amended Notice of Claim has not been filed; therefore, we request that you file this within 30 days, or we will request that the Court withdraw their motion to grant your Late Notice of Claim.

If you have any questions, feel free to contact our office.

Sincerely,

A handwritten signature in black ink that reads "Lori Harris". The signature is written in a cursive, flowing style.
