Re: Notice of Claim To A Water Right No. 63-19348 & 63-19349

Dear Claimants:

Enclosed is a copy of the above referenced water right which reflects the change in ownership of the land and appurtenant water rights covered under the original filing.

In reference to your question about an irrigation well for the same property, we found water right number **A63-10460** in the name of Dean Warn. In order to change the ownership on this claim also, we will need proof of ownership, such as a tax notice. This claim is partially covered by the tax notices already submitted, however there are 14 acres in Township 02N, Range 02W, Section 23, that are not listed on those tax notices. If you have proof of ownership for the land in section 23, please advise the Department and we will be able to make the necessary changes.

Thank you for your patience in this process. If you have any further questions or concerns regarding the enclosed water rights, please feel free to contact this office.

Sincerely,

Denise Buffington

RE: Snake River Basin Adjudication (SRBA)
Canyon County, Claim Nos. A63-19348, A63-19349 and A63-10460

Dear Mr. Warn:

We are forwarding to you computer-generated copies of two of the Notices of Claim which you filed for your property in Canyon County (Claim Nos. A63-19348 & A63-19349). We are also enclosing Receipt #W006561 in the amount of \$200.00 for the filing fees of your three claims.

We have interpreted the data from the claims and have made some minor modifications which we feel more accurately describes the water rights. The items that were modified are highlighted. Please review the enclosed forms to assure that these modifications are in agreement with the water rights.

If you agree that the modifications are correct as indicated, you do not have to return these forms. If you feel we have misinterpreted these claims, and you make any changes to the Notice of Claim forms enclosed, you must initial the changes you make, sign the forms before a notary public and return the claims and a copy of this letter to me.

We are also returning your Notice of Claim to a Water Right No. 63-10460. We have noted some problems with your claim which we would like you to correct.

It appears that Claim No. 63-10460 may seek to identify a right previously filed by Duane W. Warn (Claim No. A63-10460 copy enclosed). Is this correct? If so, you may choose to:

(1) Sign, have notarized and return Claim No. A63-10460 (you may make changes to this claim by lining through information and initialing the changes) or

(2) Return the original hand-written claim. If you choose this option, please complete Item #2 which is the date that the water was first placed to beneficial use to the best of your knowledge.

MICROFILMED

Please note that the fee required for filing this claim would be \$50.00 plus \$1.00 per irrigated acre. For example, if you are actually irrigating 79 acres your fee would be \$50 plus \$79 which equals \$129.00. The fee we received for this claim was \$150.00, therefore the overpayment is \$21.00. Once we have received the documents you wish to file for this water right, your fee amount will be calculated and the refund process will be initiated.

Please return the documents to this office to my attention. If you will make these corrections before June 4, 1992, you will not be assessed a late filing fee. Do not hesitate to contact this office if you have any questions or desire an appointment to obtain assistance in completing the form.

Sincerely,
