RE: Snake River Basin Adjudication (SRBA) claims 75-4089

Dear Claimants:

I have been reviewing your SRBA claim and corresponding with Paul Drury of ERO Resource regarding the Hubble analysis to support the claimed diversion rate and would like to see the property and your conveyance system firsthand.

I will be in the Salmon area the week of August 23 and would like to view the property and diversion in question. Please contact me at (208) 287-4907 to schedule a time that is convenient for you. If you will not be in the area, you can designate a representative to accompany me. Feel free to call if you have other questions, as well.

Respectfully submitted,

Monica P. Van Bussum
Sr. Water Resource Agent
