_____	)	SCHEDULE ORDER

On July 28, 2010, the Carmen Creek Users filed their *Motion for Extension of Discovery Deadline*. Extension of the current July 30, 2010 discovery cut-off was sought after depositions were vacated "given the settlement negotiations and uncertainty in state of the litigation." The Users wrote the parties agreed among themselves to extend the discovery cut-off to August 20, 2010, and set the deadline to exchange witness and exhibit lists on October 7, 2010. **Trial remains set to begin October 27, 2010.**

On August 2, 2010, John and Ruth Burns filed their *Motion for Extension of Deadlines Concerning Dispositive Motions*. The current deadline to file dispositive motions is August 12, 2010, with the hearing on dispositive motions currently set for September 10, 2010. The Burnses asked that the deadline for replies to dispositive motions be extended to September 16, 2010, and the hearing on dispositive motions be extended to September 30, 2010, "in order that the deadline for filing dispositive motions occur after the deadline for discovery."
