**IN THE DISTRICT COURT OF THE FIFTH JUDICIAL DISTRICT OF THE
STATE OF IDAHO, IN AND FOR THE COUNTY OF TWIN FALLS**

In Re SRBA	)	Subcase Number:
	)	01-00006
Case No. 39576	)	
	)	STIPULATION TO RESOLVE
	)	OBJECTION

The United States of America agrees and stipulates with American Falls Reservoir Dist.
#2 ("Claimant") to resolve United States Department of the Interior, Bureau of Land
Management ("BLM") objection filed in the above-captioned subcase as follows:
//

STIPULATION

1. The parties agree and stipulate that the Digital Boundary recommended as the place of use in the Director's Report will be adjusted to exclude all federal public lands where such a land use is not authorized by the managing federal agency in writing. An updated CD-ROM disk containing the agreed upon Digital Boundary will be provided to the SRBA court when appropriate to do so in the process so that it will be included in a future SF-5 and Special Master's Report & Recommendation.

2. This stipulation is being filed in order to narrow the issues before the SRBA court by settling the issues between BLM and the claimant. BLM wishes to remain a party for service purposes so that it can monitor the case and ensure its settlement is applied appropriately in any future Standard Form 5, Special Master's Report and Partial Decree.

3. This stipulation does not resolve any other objections or responses.

4. This stipulation has been reached through good faith negotiations for the purpose of resolving legal disputes, including pending litigation. This stipulation does not create a precedent for settlement of any other disputes or objections.

5. This stipulation was entered into and executed voluntarily by all the parties in good faith, and without any fraud, misunderstanding, overreaching, misrepresentation, duress, or undue influence.
