A *Final Order Disallowing Water Right Claims* was issued on October 11, 2006. Therein, the above-captioned water right claim was decreed disallowed. On September 14, 2009, the SRBA Court received correspondence from Patricia Holmberg, seeking to have the order of disallowance set aside. A hearing on the matter was held on July 27, 2010. At the hearing, this Special Master found that the requirements of I.R.C.P. 60(b) have been met, and further that the claimant has demonstrated a meritorious position. Accordingly, it is the intent of this Special Master to recommend that the *Final Order Disallowing Water Right Claims* be set aside as to the above-captioned subcase. First, however, the Department will need to file an amended director's report for the claim.

In accordance with the foregoing, the following are hereby **ordered**:

1) IDWR shall file an *Amended Director's Report* for the above-captioned water right claim no later than **August 31, 2010**.

2) Notice of the filing of the *Amended Director's Report* shall be published on the Court's Docket Sheet in September 2010, and objections to the *Amended Director's Report* shall be filed by **September 28, 2010**. Responses to objections shall be filed by **October 15, 2010**.
