James Nielson and Beverly Nielson, Residing at 5310 NE 85th Street, Seattle, WA 98115, do hereby declare the following statements to be true and accurate:

That in the spring of 1970 we built a lake home on the following described property that we then owned, the property being located in Kootenai County, Idaho:

Lot 6 of Block 1, Powder Horn Bay, Kootenai County, Idaho, according to the duly recorded plat on file in the office of the County Recorder, in Book "D" of Plats, at Page 182, the same being a portion of Government Lot 3, Section 14, Township 48 North, Range 4, W.B.M.

That we started diverting water from Lake Coeur d'Alene for household use starting in July 1970, and that we continued to divert water from the lake for this purpose until we sold the property to Ronald M. and Barbara R. Meldrum in the spring of 1977.
