For the record, I have not yet received the

Liberty -

The only thing happening from the paperwork submitted is the removal of Redner & Dolly Montuori from the rights. The 'Victims and Victims' are also being removed.

Before completing the data entry, we should obtain a signed copy of the Decree of Partition by stipulation & order. Then, the above listed names can be removed from 63-3557A/3232/7156A & 3599A.

63-3599 has already been split by a previous ownership change into 63-32018 and 63-32019. Attached are prog reports of the claim & recomm. for the 2 new numbers. I've written some notes on the recomm. prog. And I marked up the claim report for 63-32018, showing how this new split should be made.

Let me know if you have any questions.

DECREE OF PARTITION BY
STIPULATION AND ORDER

RECITALS

By Pre-Trial Order entered by this Court on February 12, 1993, the trial in this matter was bifurcated with issues pertaining to a partition of the real estate presented at Court Trial on February 19, 1993. At the conclusion of that trial, the Court orally entered its Findings of Fact and Conclusions of Law with respect to the partition of the real estate which Findings and Conclusions have been transcribed.

By agreement between the parties, a 400 acre parcel of the so-called Star Farm was sold to a third party on May 13, 1993; and, by another agreement between the parties, the Montierths Defendants conveyed their interest in the remaining 520 acres of the Star Farm to the Plaintiffs on or about November 12, 1993.

Pursuant to Idaho Code §6-512, the Court entered its Order of Reference on June 9, 1993 wherein W. Roy Brown, Anthony Moreda and Robert W. Smith were appointed referees with directions to determine a proper division of the portion of the real property known as the "Nampa Farm".

Thereafter, the Court entered its Order on Referee's Report on October 4, 1993 directing that the parties conduct a lottery to determine which party would receive which parcels. On October 5, 1993, the parties with their counsel met, the lottery was conducted and with certain modifications to the referee's Report, the parties stipulated to a division of the Nampa Farm.

Attached hereto as Exhibit "A" and by this reference made a part hereof is a schematic map of the real property known to the

parties as the Nampa Farm containing thereon, in addition to the real property, certain ground water wells.

Re: Original Notice of Claim to a Water Right No. 63-32078

Renumbered to Notice of Claim to a Water Right No. 63-32293

Dear Claimant(s):

We have received and processed a Change of Ownership for a portion of your original Claim to a Water Right Number as referenced above. This change of ownership resulted in a split of your original claim.

When a portion of the original water right claim has been conveyed to another and the original right has been split, then the original claim number is renumbered by issuing a new water right number to represent each split. Each split contains only the portion of the original right for each separate owner. The above referenced new claim number reflects your remaining portion of the original claim after the change of ownership. Enclosed is a copy of this new claim for your records. Please refer to your new claim number when corresponding with our office.

Please note that the enclosed Notice of Claim to a Water Right is not a determination of your right. This claim represents the remaining portion of the claim filed during claims taking in the Snake River Basin Adjudication (SRBA) and has not yet been verified by this Department. Water rights are established and maintained by beneficial use of water for the uses designated on this claim form dating back to the priority date listed. This claim will be investigated, verified and recommended to the SRBA Court for court decree sometime in the near future. You will be notified prior to the beginning of any verification of this water right.

Thank you for your patience, as we have had several water right changes to process. If you have any questions concerning this ownership change, or the enclosed claim copy, please feel free to contact this office.

Sincerely,

Adjudication Section

RE: Changes of Ownership

Dear Nolan:

The copies of Deeds you provided were very helpful in trying to determine the ownership of the SRBA claims, and subsequent splits of some of the claims, that were originally filed by the Montierths, Victors & Meyers. Using those Deeds and copies of others we had in our files, I think I have determined which claims still need to be changed to coincide with the ownership of the land. However, prior to completing any ownership changes I need the enclosed Notice of Change of Water Right Ownership form signed by the trustee of V & M Trust.

The claim numbers described on the form are those that I believe should be in the name of V & M Trust. Enclosed are copies of profile reports for you to review as a double check against my review. Let me know if you disagree.

At the same time that I change the ownership of V & M Trust's claims I will remove the names of Victors and Meyers from the following claims that are appurtenant to the land in the names of the Montierths: A63-07156A, A63-03557A, A63-03232, A63-03589A & A63-03599A.

All of the changes described above are based on Deeds and information currently in our possession. If you know of any additional information we should have that will contribute to the accuracy of our records please let me know.

Cordially,

Mel Schulte

MEMORANDUM

Tiersma Ownership Change Application

From: J. Westra

Date: 1/9/07

RE: Additional Information- Split of 63-32293

Mr. Tiersma has purchased a parcel of land in the Chaparral Ranch Subdivision—previously owned by Herb Monterith. The subdivision uses the original well to supply irrigation to the ranchettes—pressurized system. However each owner has their own water right.

The original p/d well listed on the water right in SESW Sec 14 2N-3W #63-32293 is utilized and on the Teirsma property approx 15 acres.

No Transfer needed.

At first cut, it appeared WR #63-32075 P/U in the SWSW of section 14 applied to the Tiersma property. I told Mr. Tiersma to included it on the application, however, this is incorrect. The split of 63-32075 should not be included.

No Fee—Canyon County Part 3—not decreed.
