Dear Sir/Ms,

IDWR / NORTH

I found the online forms confusing, the website too large, non-navigable, confusing and non-descript. The website also locked up and would not allow for filing.

There is not a designated address to send this to so I can only hope this is correct.

As my home was supplied by well and river water before 1987, I claim exception to this new tax/fee and believe the property to come under eminent domain laws.

If I am correct, please return my \$25.00 fee. I have huge property taxes to pay.

Sincerely,

James Peters
