Re: Original Water Right Nos. 63-32402, 63-32411

Renumbered to Water Right Nos. 63-32707, 63-32712

Dear Mr. & Mrs. Strode:

We have received and processed a Change of Ownership for a portion of the original Claim to a Water Right Numbers as referenced above. This change of ownership resulted in a split of the original claims.

When a portion of the original water right has been conveyed to another and the original right has been split, then the original right number is renumbered to represent each split. Each split contains only the portion of the original right for each separate owner. The above referenced new water right numbers reflect your remaining portion of the original rights after the change of ownership. Enclosed is a copy of these new water rights for your records. Please refer to your new numbers when corresponding with our office. Also enclosed is a copy of the Notice of Completed Administrative Proceedings, which has been sent to the SRBA Court as notification of this change.

If you have any questions concerning this ownership change, or the enclosed copies, please feel free to contact this office.

Sincerely,

Lori Harris
