

PHONE CALL

On June 25, 2010 during a phone conversation with the Kootenai County Assessor's office discussing parcel number 0-2820-000-014-A. The Assessor's office informed me that the original 400 square foot home was built in 1969 and removed in 2004. Then the current home on the property was built the same year.

A handwritten signature in black ink, appearing to read 'CHAD H. GOODWIN', with a stylized flourish at the end.
