

Affidavit

Existence of drilled water well on Benewah County parcel # RP44N04W239200A, E1/2SE1/4SE1/4, Sec 23, T44N, R4W, BM currently owned by David and Linda Crabtree. The well is located approximately 150 yards north of the existing cabin.

I recall the existing water well on the above revered property being drilled and in use in 1969 when the property was owned by my wife's uncle, Theron Larsen. When my wife and I purchased the property in 1987 the same well was the source of drinking water for the property and was still in use for that purpose when we sold the property to David and Linda Crabtree in 1995.
