To Whom It May Concern:

This letter is to establish my recollection of water usage granted by Gary Lester in summer of 1982 to Kenneth F. Sopher. While I was assisting Ken to fence his west border with Gary's property, the fence came within approximately six feet of Gary's east property line and a stream. Ken asked Gary for permission to place a corner post on the west bank of the adjacent stream, so his livestock could have access to the water. Gary agreed and the fence was altered to include approximately 12 to 15 feet of the creek access. The fence has remained in place since that time, allowing continual use of the water.

Respectfully,
