Dear Mr. Carlson:

I have received your letter of February 8, 1994 requesting waiver of the late filing fees for the school district's claims in the Snake River Basin adjudication. The basis of your request seems to be "... it is my belief that we did not receive proper notice under the adjudication ..." and you are therefore requesting the late fees be waived.

A review of the department's records shows notice of the adjudication was mailed to the BOISE INDEPENDENT SCHOOL DIST., 1207 WEST FORT, BOISE, ID 83702 on April 28, 1989. I understand this is the proper address for the office of the superintendent of the Boise Independent School District.

The Snake River Basin adjudication is a judicial procedure for the determination of all water rights in the Snake River Basin in Idaho. Section 33-513(2), Idaho Code, lists the superintendent of schools as the authorized representative for the receipt of service of process. A check with the school district office confirmed that you had not been designated the authorized representative for service of process for the Boise Schools.

This analysis leads me to believe that service of the notice of the adjudication was proper and your request for waiver of late fees is denied.

Yours truly,

David B. Shaw
Adjudication Bureau Chief

Dear Mr. Shaw:

The Independent School District of Boise City is filing it's adjudication claims under the Snake River Basin Adjudication for water necessary for operation of the school's within the Boise Valley. I realize that the Department has, in the past, notified some of the administration in the School District of the Snake River Basin Adjudication but unfortunately notice was never sent to me as the Administrator of Maintenance for the District. Since it is my sole responsibility to administer the water resources of the District, it is my belief that we did not receive proper notice under the adjudication and therefore I am requesting a waiver of late fee requirements. As required by your agency, we have paid the late fees with the submission of our adjudication claims but would urge you and the Department to favorably consider refund of those late fees. It is a significant outlay for the School District and reduces monies available for maintenance of our school system.

Sincerely yours,

Roger Carlson
Supervisor of Maintenance & Operations
