RE: Coeur d'Alene-Spokane River Basin Adjudication
Claim No. 95-11397 – Response to your letter of June 29, 2010

Dear Ms. Harris:

After receiving your correspondence of June 29, 2010, I had the opportunity to further review the file, and it appears that there is some confusion as to Kootenai County's water right in the above-referenced claim. Attached hereto is a copy of the State of Idaho Water License issued on May 14, 1968. By this letter, I am bringing that document to your attention, as well as requesting to amend the previously filed claim to correspond with the Water License, to-wit: the amount of diversion should be 0.45 c.f.s. instead of the 0.44 c.f.s. as stated in the Application of November 13, 2009.

I apologize for any inconvenience this may cause. Please feel free to contact me at the above-referenced telephone number if you have any questions or need further assistance. As always, thank you for your help with this matter.

Yours very truly,

John A. Cafferty
