July 2006

In reference to your request for information on Water Right nos. 63-2743, 63-3086 and 63-3208 located on our Ustick Rd Farm. When my father John A Williamson purchased the property on Ustick Rd where these water rights are located in 1988 or 89 all three wells were interconnected on one mainline. We have an invoice date in 1980 in which the former owner had purchased pvc pipe to replace the steel mainline. So we suppose this line was in existence prior to 1980. I talked to Tom Bartlett whose family have owned the adjoining farm since it was desert claimed in the 50s or 60s and still lives in the valley. Tom Bartlett told me that these three wells were hooked together before 1965.

He stated to me that in 1965 during his summer break from college he worked on B W Produce's farm located along Ustick and Vanslyke Rds., water rights and property in question. He irrigated using these 3 wells. He remembers that all three wells were connected that summer.

Sincerely

Roger Williamson

RE: Notice of Claims to Water Rights Nos. 63-2743, 63-3086 & 63-3208

Dear Claimant:

In review of the above referenced claims to water rights we find that we need additional information regarding the use of the wells under these claims. In order to recommend the wells as an interconnected system we need some documentation of when the wells were connected to each other. Enclosed, for your convenience are computer-generated reports that show the rights as claimed.

Pursuant to review of our water right records, each of the above wells was licensed separately and we have no evidence of when they were connected to each other. Please provide either a statement from someone with personal knowledge of when the wells were tied together or copies of receipts showing the purchase of equipment needed to connect the wells.

Please provide the requested documentation on or before June 1, 2006. We are planning to finalize the recommendations of claims for Canyon County this summer and need time to review the information you provide. If no evidence is submitted, the claims will be recommended as the rights were licensed. If you have any questions regarding this matter please do not hesitate to contact me at 287-4953.

Sincerely,

KAY WALKER
