RE: Claim #13-4129 correction to Place of Use

Dear Mr. Ciscell,

Please find enclosed a Claim to a Water Right form and map for the above referenced statutory claim. As we have discussed, there was an error in the original claim that was filed in 1980 (copy enclosed). The map shows the point of diversion being the dam and the place of use being the powerhouse. This claim has the same point of diversion and place of use as decreed rights 13-967 and 13-968.

Thank you for your help in this matter. If you have any questions, please contact me at 801-220-2252 or by e-mail at Claudia.conder@pacificorp.com
