RE: Subcases 75-10061A, et al. (Burns) -- Carmen Creek

Dear Special Master Dolan:

Please find enclosed Standard Form 5s (SF5s) regarding the Carmen Creek subcases 75-10061A, et al. Please note that SF5s for two previously decreed water rights are included in this group. The two previously decreed water rights are Subcase Nos. 75-10061AC and 75-10062AA (Greenway/Cabigas). The SF5 for 75-10062AA is consistent with the partial decree for this water right and is being provided so that it is clear that all parties to the matter are in agreement with how the water right was decreed. No further action is required of the Court. However, the SF5 for 75-10061AC is not consistent with the partial decree for this right. The parties and the Department request that the partial decree for 75-10061AC be set aside and that this right be decreed consistent with the SF5.

If you have any questions, please feel free to contact me at (208) 287-4811.

Sincerely,

GARRICK BAXTER
