**STIPULATED MOTION FOR EXTENSION OF
DISCOVERY PERIOD**

COME NOW the parties, by and through undersigned counsel of record and pursuant to Idaho Rule of Civil Procedure 7(b), and hereby move the Court for an order extending the discovery period in the above-captioned Subcases. At present, the Court's Trial Scheduling Order, filed March 2, 2010, sets a witness disclosure deadline (including expert witnesses) of December 1, 2010, and a discovery completion deadline of January 14, 2011.

The parties seek the extension of the above-referenced deadlines in light of their desire to finalize settlement negotiations spanning the past several months. The parties have held face-to-face settlement conferences on multiple occasions, and have exchanged several written draft agreements between them. The parties feel that they are close to executing a comprehensive settlement agreement and want to focus their efforts on that goal.

Because trial in the above-referenced Subcases is not set until May 9 through 12, 2011, the parties are in agreement of extending the witness disclosure and discovery completion deadlines until January 17, 2011 and March 4, 2011, respectively. Granting this Stipulated Motion should not delay the proceedings in this matter.
