MEMO

DATE: AUGUST 17, 1992

TO: A35-11705 & A35-11300 (FIELD EXAM FILES)

FROM: ERIC VERNER *EV*

SUBJECT: RECOMMENDATIONS FOR THESE RIGHTS

=====

These rights have been claimed as combinations of licensed right 35-02670A and 35-02670B. My initial exam showed some problems with the rights as claimed. This memo summarizes my recommendations for these claims.

License 35-02670 was for irrigation of 200.7 acres by one well with a maximum diversion rate of 4.02 CFS (0.02cfs/acre application rate). Transfer 3464 was approved in 1988 to add a second well to the system and split 34.1 acres off the original place of use. I inspected this new well and found that it is in the SWSESW Lot 3 T2S R34E. I measured the diversion by the Pitot Gauge at 0.57 cfs. There were 2, 1/4 mile hand lines running and a 3rd line with approx. 6 nozzles irrigating the lawns/gardens around the homes. I did not measure this line. The system is, as the transfer shows, just irrigating the SESW of Sec 32. *35-02670B.*

The remaining licensed place of use in Section 32 is irrigated by the original well in the SESWSE Sec 32. This place of use is under two ownerships; Dale Murdock owns the property claimed under A35-11300. Two of his sons own the remaining property. The licensed place of use in the N1/2 NW1/4 Sec 5 T3S R34E is no longer irrigated by this system. It is still owned by the Murdock's but they now irrigate this land under license 35-07792. They did not claim that any part of license 35-02670 is now appurtanant to this property so it appears that the portion of 35-02670A appurtanant to the N1/2 NW1/4 Sec 5 has been abandoned or forfeited (or accomplished transfer to sec 32).

The above paragraphs describe the rights as they are currently recorded with IDWR. Claims A35-10705 and A35-11300 do not reflect the licenses as described. Steven and Ronald Murdock filed A35-10705 as a combination of 35-02670B and the portion of 35-02670A that they own. Dale Murdock filed A35-11300 indicating it as a combination of 35-02670A and 35-02670B. My investigation shows however that he does not have an interest in 35-02670B but rather his right is solely a portion of 35-02670A.

page 2

Given the above information I determined that A35-10705 and A35-11300 will be recommended as follows:

A35-10705

Recommend splitting it to reflect transfer 3464. The first portion as number R35-02670B pursuant to T3464. The second portion as number R35-02670C, a portion of license 35-02670A. I am recommending this because there are two seperate systems irrigating the claimed place of use.

A35-11300

Recommend renumbering A35-11300 to A35-02670D and show it as a portion of 35-02670A.

Specific recommendations
