COMES NOW Timothy J. Stover of the firm of Worst, Fitzgerald & Stover, PLLC, pursuant to Rule 60(b) of the Idaho Rules of Civil Procedure, and moves this Court for an Order amending the Order of Partial Decrees entered on December 1, 2010.

This motion is made for the reason that the Order of Partial Decrees states that it was made based on a Special Master's Report and Recommendation filed on October 1, 2010; however, an Amended Special Master Recommendation was entered on October 8, 2010, correcting an error under the Place of Use element for the October 1 Special Master Recommendation. Pursuant to the Amended Special Master Recommendation dated October 8, 2010, the remark should read: "This right is limited

to the irrigation of 1624 acres within the place of use described above in a single irrigation season.”

Oral argument is not requested.

DATED this 8th day of December, 2010.
