Re: 47-2486A and 47-2487A

Dear Ms. Lawler:

Enclosed please find the original documents entitled "Standard Form 5 – Stipulated Elements of a Water Right" (commonly referred to as SF 5) for the above referenced subcase nos. for Basin 47.

Please review the new recommendations which are attached to the original SF 5 documents. If all the information is correct, please sign and date the first page of the original and initial the page entitled "Recommendation of Water Rights Acquired Under State Law." Once you have acquired the signatures required on your end, please return the document to my attention and I will obtain the signatures from those here at the Department and file the documents with the Court. A self addressed stamped envelope has been included for your convenience.

Should you have any questions regarding the attached revised water right recommendations, please contact Doug Jones at the Southern Regional Office. His number is (208)736-3033. A status conference for these two water rights has been set with the Court for June 1, 2010. Any concerns regarding these rights should be addressed with Mr. Jones before that time.

Thank you for your cooperation in this matter.

Sincerely,

A handwritten signature in blue ink that reads "Renea Ridgeway".
