CONDITIONS OF APPROVAL AND REMARKS

1. Use of water under this right may be affected by an agreement between the protestant and the right holder.
2. Right holder shall comply with the drilling permit requirements of Section 42-235, Idaho Code.
3. After specific notification by the department, the right holder shall measure the diversion or shall enter into an agreement with the department to determine the amount of water diverted from power records and shall annually report the information to the department.
4. Use of water under this approval shall comply with applicable water quality standards of the Division of Environmental Quality of the Idaho Department of Health and Welfare.
5. The dairy operation authorized under this approval shall comply with applicable county zoning and use ordinances.
- * 6. The right holder shall accomplish the change authorized by this transfer within one (1) year of the date of this approval.
7. Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.
8. Approval of this transfer does not preclude the opportunity for review of the validity of the water right(s) in the ongoing Snake River Basin Adjudication.
9. Prior to diversion of water under this approval, the right holder shall provide a means of measurement acceptable to the Department from all authorized points of diversion which will allow determination of the total rate of diversion.
- * * 10. The total instantaneous diversion of water from all points of diversion under Transfer 5631 shall not exceed 0.41 cfs, nor a total combined annual volume of 64.5 af.
- * 11. Commercial use is for a dairy located in the NWNE, S35, T2N, R3W. The place of commercial use authorized by this approval includes land upon which wastewater may be applied for irrigation purposes to satisfy water quality requirements. Water diverted under this approval shall not be used for irrigation unless the water is first used in the dairy as authorized by this water right.
- * 12. Domestic use is for two (2) homes in the NWNE, S35 and one (1) home in the SWSE, S26, T2N, R3W.

OTHER PROVISIONS NECESSARY FOR DEFINITION OR ADMINISTRATION OF THIS WATER RIGHT:

This partial decree is subject to such general provisions necessary for the definition of the rights or for the efficient administration of the water rights as may be ultimately determined by the Court at a point in time no later than the entry of a final unified decree. Section 42-1412(6), Idaho Code.

Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.

The right holder shall accomplish the change authorized by Transfer 5631 within one (1) year of the date of this approval.

EXPLANATORY MATERIAL: BASIS OF CLAIM - License

After specific notification by the department, the right holder shall measure the diversion or shall enter into an agreement with the department to determine the amount of water diverted from power records and shall annually report the information to the department.

Commercial use is for a dairy located in the NWNE, S35, T2N, R3W. The place of commercial use authorized by this approval includes land upon which wastewater may be applied for irrigation purposes to satisfy water quality requirements. Water diverted under this approval shall not be used for irrigation unless the water is first used in the dairy as authorized by this water right.

Right holder shall comply with the drilling permit requirements of Section 42-235, Idaho Code.

Use of water under this approval shall comply with applicable water quality standards of the Division of Environmental Quality of the Idaho Department of Health and Welfare.

The dairy operation authorized under this approval shall comply with applicable county zoning and use ordinances.

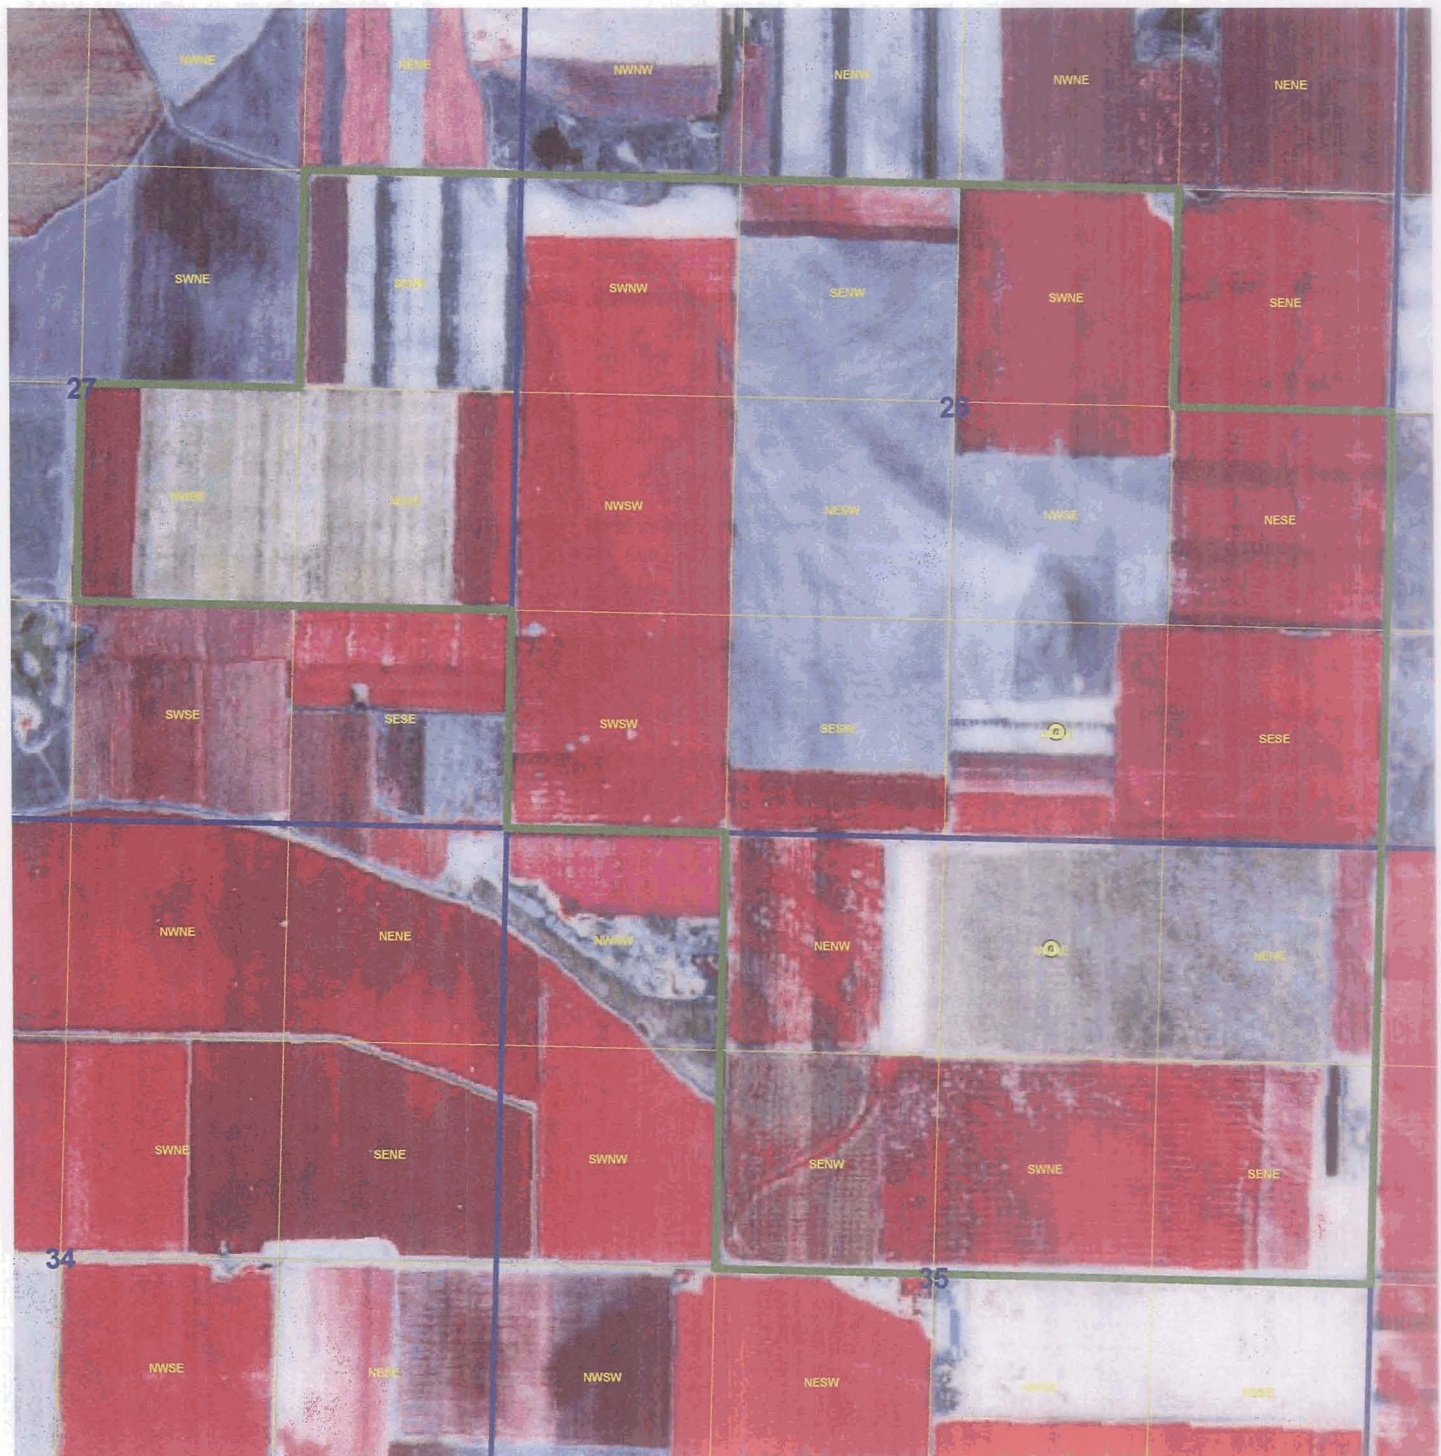

Use of water under this right may be affected by an agreement between the protestant and the right holder.

Prior to diversion of water under this approval, the right holder shall provide a means of measurement acceptable to the Department from all authorized points of diversion which will allow determination of the total rate of diversion.
