RE: Water Rights on Stormrider Estates

Dear Jonie:

Yesterday I mailed a Notice of Change in Water Right Ownership to your attention with a copy of the current deed to my land. After speaking last night with a member of Arrowhead Water District they informed me that you would need a copy of all deeds from Jon Cummings to myself in order to process the transfer.

With this letter I am enclosing the deed from Cummings to Bill and Elizabeth Allen for lot 18, the lot split making it 18A and 18B and the original deed from Bill and Elizabeth to my husband and myself which they subsequently had to re-do as it did not mention the amended plat. This should take care of all the deeds showing the transfer of ownership from Cummings to present.

Please feel free to contact me if you have any questions.

Sincerely,

Cori J Allen
