RESPONSE DEADLINE
MARCH 25, 2005

Re: Evidence of Priority Date

Dear Claimants:

The Notices of Claim to a Water Right (claim) identified with the numbers shown above your name have been filed in the Snake River Basin Adjudication (SRBA). The claims indicate your water usage is based on "Beneficial Use" or a "Statutory Claim." Water rights of this type are established by the historic use of water, dating back to when water was first used for the purpose claimed, and are termed beneficial use rights. The date of first use, known as the priority date, has not been confirmed by a License, Decree or Permit. Since the priority date and historic use of a beneficial use right cannot be confirmed by field examination, **proof must be provided by the claimant** supporting the priority date claimed and the historic use of the water.

If you no longer own the property to which the claim is appurtenant please forward this correspondence to the present owner, or return it to Idaho Department of Water Resources (IDWR). If you have received this correspondence from the previous owner of the property it is recommended that you file a Change of Ownership form with IDWR in order to receive future mailings and to participate in the adjudication.

Enclosed you will find a computer printout of your claims and the pamphlet entitled "Evidence of Priority." The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement.

PLEASE NOTE: IDWR will recommend the SRBA Court decree the claims disallowed if no evidence of the priority date and of the historic use is submitted. It will be to your advantage to provide clear and convincing evidence. If you choose to submit statements from individuals as evidence, the statement should be in the form of a notarized affidavit.

Please submit the required evidence supporting the priority date and the historic use by the date shown above, referencing all documents with the corresponding claim number. If you have questions not covered by this letter or the enclosed pamphlet, please contact this office at 1-208-743-0301.

Sincerely,

Gregory J. Taylor

DONOVAN HECKMAN, being first duly sworn upon his oath, deposes and says:

That he is a resident of Idaho County, Idaho, and is personally acquainted with Clarence McReynolds and Viola McReynolds. That he has been their neighbor for the past 50 years. That he is the majority stockholder and manager of Heckman Ranches, Inc. and as such it is necessary for him to often see the area that Clarence McReynolds is irrigating out of the Salmon River. He knows of his own personal knowledge that Clarence and Viola McReynolds have been utilizing a pump and pipe system out of the Salmon River by which they spread water over their property by a sprinkler system and that he has done so since at least 1965 and he has done it continuously and your affiant has observed said sprinkler system operating ever since that date every year. Said use has been continuous since 1965 and your affiant knows these facts from his own personal observation of such system and the land that is involved.
