Dear Mr. Frahm:

Thanks for the map and priority date information that you mailed to me at the Idaho Department of Water Resources (IDWR) Northern Region office. Your claim for domestic and stock water use using the well on your property has been assigned number 94-7726.

Please contact Keith Franklin or Eric Davis at the IDWR Northern Region office if you decide to start irrigation on your property. This may require that you obtain a separate water right under the water right permit process. I have enclosed a permit application and instructions for your information.

I can be contacted at the address shown above or at (208) 762.2800 if you have any questions.

Respectfully,

Shaun M. Maxey
