RE: Snake River Basin Adjudication Claims for Cole Farms, Inc.

Dear Debbi:

Enclosed please find reports which summarize the water rights for Cole Farms, Inc., as claimed in the Snake River Basin Adjudication (SRBA). All claims except numbers A63-04704A and A63-04704B are claimed as licensed.

Claim numbers A63-04704A and A63-04704B are based on water right number 63-04704. The claims were filed in the SRBA by two different parties, based on ownership. Water Resources numbered those claims by adding alpha suffixes to each claim. Those claims are now in the names of Cole, Inc. (A63-04704A), and Kenneth W. and Mary Beth Cole (A63-04704B). Together, these claims are for more water and less acres than the originally recorded right (63-04704). This discrepancy must be resolved by the owners.

Water right number 63-04047 was recorded in Department records but never verified by the Department. Consequently the owners are responsible for providing the Department with some documentation which supports the claimed priority date. We requested that information from Cole, Inc. on July 7, 1995, but received no response. The Department cannot recommend these SRBA claims to the court for decree without some evidence which supports the claimed priority date.

If you have any questions or need additional information please do not hesitate to contact me at this office.

Sincerely,

Maria Minicucci
Senior Water Agent
