RE: Subcase 75-10062B (Beaverhead Peaks Ranch LLC)

Dear Special Master Dolan:

The Department of Water Resources ("IDWR") is investigating the issues involved in the above-referenced subcases and will need additional time to complete its Amended Director's Report, which was due on December 31, 2010. IDWR hereby requests an extension of the deadline. IDWR anticipates having it filed before the next scheduled status conference on January 13, 2011.

Thank you for your consideration in this matter. Should you have any questions, please do not hesitate to contact me.

Sincerely,
