RE: Correction of Error in the Recommendation of Water Right 37-20483

Dear Clerk:

Flying Triangle Inc. water right 37-20483 was reported in the Director's Report Basin 37 Part 2, Irrigation and Other Rights filed December 5, 2010. The right was unobjected to and has not moved to partial decree yet. Unfortunately, the recommendation of right 37-20483 described a portion of the place of use located at T01N R16E S11 down to the section only, missing the required quarter quarter description altogether. Attached is a corrected Director's Report which provides the complete description of the place of use. Could the Court please correct the oversight as a clerical error?

We appreciate the Court bringing this error to our attention. Should you have any further questions regarding the correction, please don't hesitate to contact me at 208-287-4816. Thank you!

Sincerely,

Vicki Kelly,
Paralegal
