Attention: Adjudication Bureau

Ladies and Gentlemen:

The United States, acting through the Bonneville Power Administration, bought about 60,000 acres of land in Lewis and Nez Perce Counties in a transaction that closed on March 31, 1992. The property was formerly owned by Aetna Life Insurance Company, who sold it to The Conservation Fund; the United States purchased from The Conservation Fund in a back-to-back closing.

Aetna Life Insurance Company had filed numerous "Notice of Claim to a Water Right" documents (Form No. 42-1409(2)a) for this property, in connection with Civil Case Number 39576, which concerns adjudication of rights to use water from the Snake River Basin water system. The forms do not include an identification number. The very great majority of the notices are for amounts described as "de minimus" and are for stock water. A sample of these notices is enclosed. A few of the notices pertain to other amounts of water for other uses.

I've enclosed a completed Form 42-1409(7), "New Property Owner, Notice of Change of Water Right Ownership," along with copies of the deeds conveying the property to the United States.

Please take whatever steps are necessary to document the change of ownership in your records. Any notices issued in connection with the adjudication of water rights for the property should be sent to the address shown on the enclosed "Notice of Change of Water Right Ownership" and, if possible, also to Robert Walker - PJSP, Fish and Wildlife Program, Bonneville Power Administration, P.O. Box 3621, Portland, OR 97208-3621.
