RE: SRBA Subcase No. 63-5255 (Pioneer Irrigation District)

Dear Andy:

I am enclosing a Standard Form 5 ("SF5") for the above-referenced water right. Please review the document, and if it is acceptable, please sign on the indicated signature line, initial the revised recommendations and return the original SF5 to me. I will obtain the remaining signatures and file the SF5 with the SRBA Court.

Also, Jan Shurte asked that I remind you that this water right is the right that Pioneer Irrigation District will need to file a transfer on to change the point of diversion.

If you should have any questions or comments, please feel free to contact me at 287-4815.

Sincerely,

A handwritten signature in blue ink that reads "Ray Williams".

	)	STIPULATED ELEMENTS OF A
	)	WATER RIGHT

This form is used to report the stipulated elements of one water right acquired under state law and/or one federal reserved water right. Submission of this form will not automatically result in the issuance of a partial decree. The Presiding Judge or Special Master will conduct any hearing necessary to determine whether the facts, data, expert opinions and law support the issuance of a partial decree for the water right.

The parties agree that the Snake River Basin Adjudication Court has jurisdiction of the parties and subject matter to enter a partial decree for this water right; that they have been served with sufficient process, according to the law; and that they have appeared, prosecuted, and defended their positions with regard to this water right dispute.

The parties and IDWR agree and stipulate that the elements of this water right should be described per the attached. The parties and IDWR have further indicated their concurrence by initialing each of the attached pages. No changes have been made to the digital boundary, thus no maps are attached.
