Dear Claimant:

Thanks for the claim information that you provided to the Idaho Department of Water Resources (IDWR) Northern Region office. Your claim has been assigned identification number 95-13851. Additional information is needed so that IDWR can determine the location and identity of your well(s) and make an accurate recommendation to the Court.

Please contact me after you have reviewed the enclosed photocopy of your claim, map showing the location of your property, and a 1991 Well Driller's Report for Tony Myers. Please mark the location of your dug well if it remains in service with a dark 'X' labeled 'DUG WELL' and your home circled and labeled 'HOME' on the attached aerial photo. Please mark and label the location of the Tony Myers drilled well (95-91-N-142) and the home it serves if this well is also being used. The marked map should be returned to me at the IDWR Northern Region office at the address shown above.

I can be contacted at (208) 762.2800 if you have any questions. Please note that the Coeur d'Alene IDWR Northern Region office has moved from our former location on Northwest Avenue to the address shown above.

Respectfully,

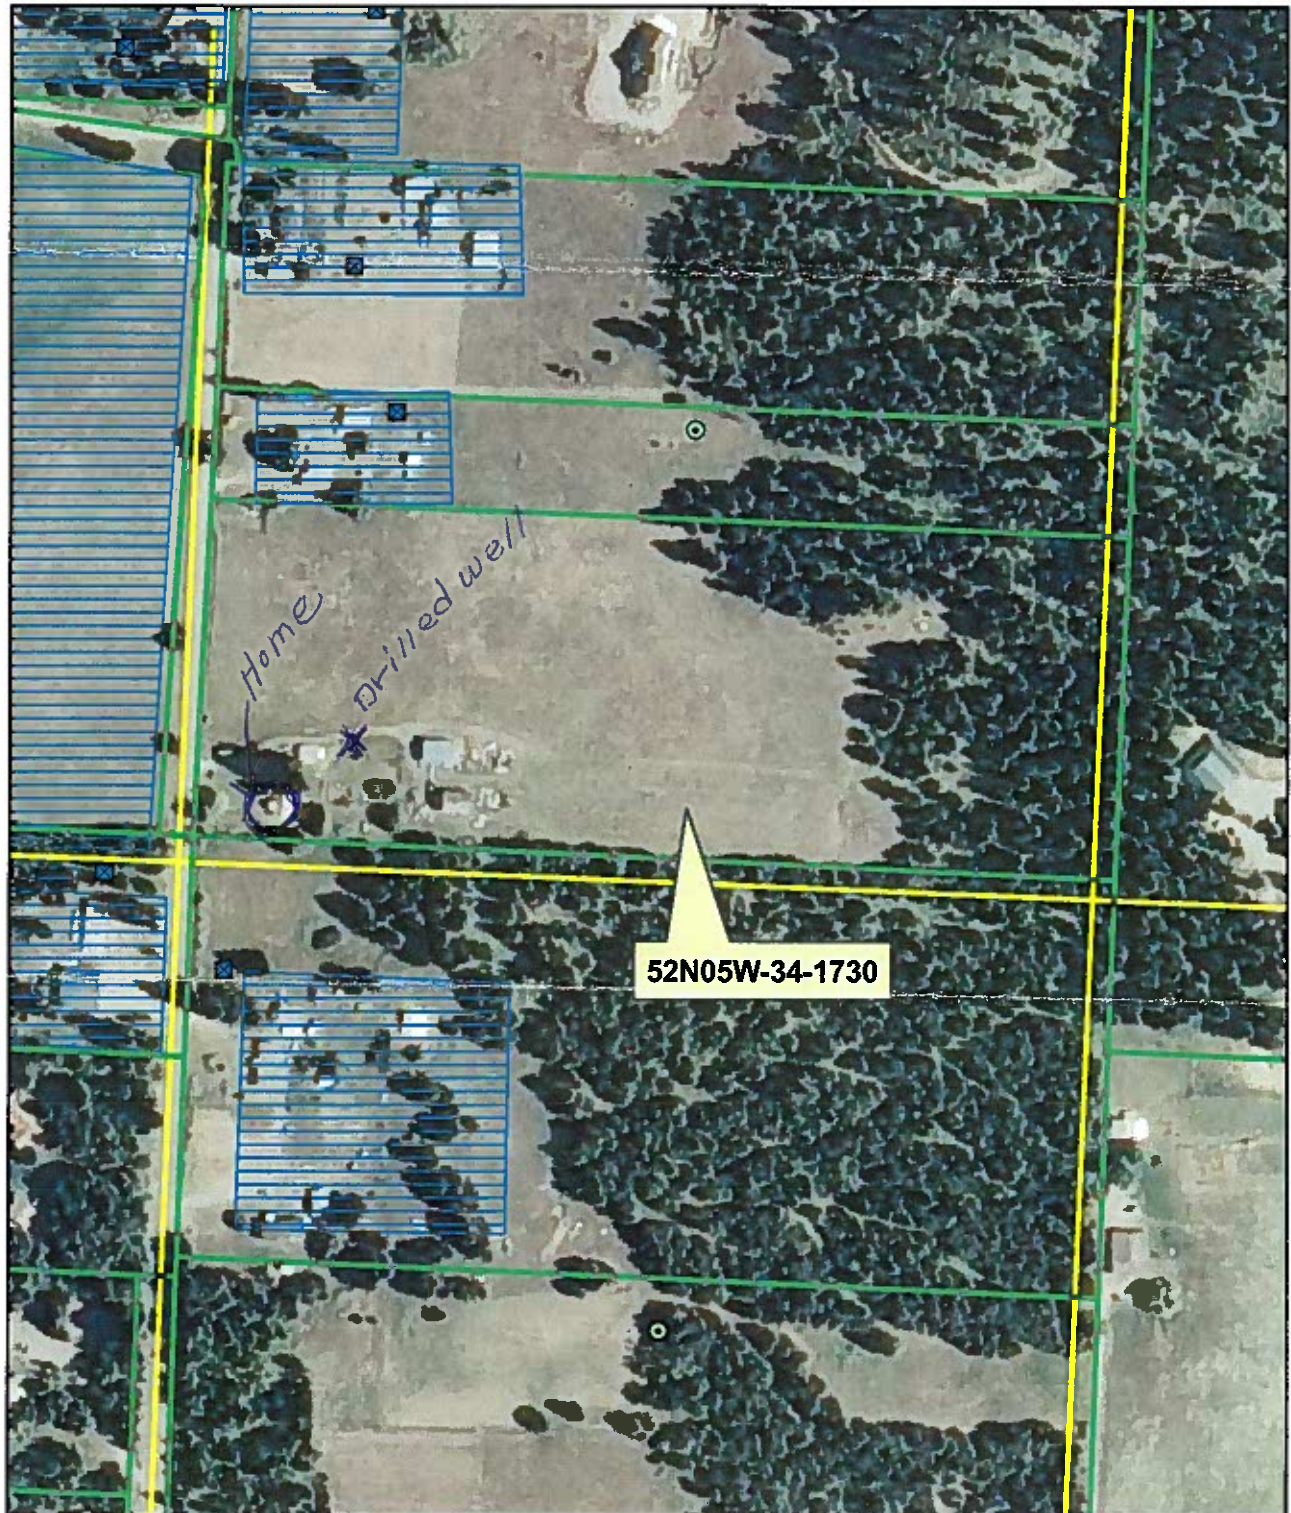

Shaun M. Maxey
