Concerning the required claim to water rights, specifically defined as:
52 No4W-24-1600 on the attached photo.

At the request of James R. Pokorny and to the best of my recollection, the following information is supplied.

We moved to this location in July of 1965 and had a house built. We moved into the house and hooked up the well in the fall of 1965. The well was there at that time.

In the hope that this helps.

Sincerely,

Carolyn Ross
