Re: Water right 22-12714B

Dear Representative of the Susan C. Aldeen Trust:

I am a deputy attorney general representing the Idaho Department of Water Resources ("IDWR"). This letter is a follow-up to the letter Michael Holliday from IDWR sent to you last month about your subcase.

As you know, the Paradise Springs subcases in the Snake River Basin Adjudication ("SRBA") are on the road to settlement. Your water right 22-12714B is one of the subcases involved in said settlement. The SRBA Court held a hearing this morning to discuss the status of the subcases involved in the settlement. The Court set a final deadline of February 11, 2011, in which to file an amended claim, if you intend to do so. As referenced in Mr. Holliday's letter, as part of the settlement, you can receive an increase in quantity for your water right (from .08 cfs to .11 cfs). However, IDWR can only recommend the increased amount to the SRBA Court if you file an amended claim. If you are content with your recommendation the way it stands, .08 cfs, then there is no need to do anything further related to this subcase because the Special Master will eventually make her recommendation to the district judge that your water right be partially decreed as currently recommended.

If you have questions about this matter, please contact me at (208) 287-4810 or Mr. Holliday at (208) 525-7161.

Sincerely,

A handwritten signature in blue ink that reads "Andrea L. Courtney". The signature is stylized with a large, flowing "A" and a cursive "L" and "C".
