**STIPULATED MOTION FOR EXTENSION OF
WITNESS DISCLOSURE DEADLINE**

COME NOW the parties, by and through undersigned counsel of record and pursuant to Idaho Rule of Civil Procedure 7(b), and hereby move the Court for an order extending the witness disclosure deadline in the above-captioned Subcases. At present, the parties' Stipulated Motion for Extension of Discovery Period, filed November 29, 2010, sets a witness disclosure deadline (including expert witnesses) of January 17, 2011, and a discovery completion deadline of March 4, 2011.

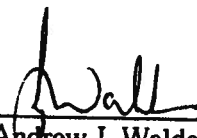

The parties seek the extension of the above-referenced witness disclosure deadline in light of their desire to finalize settlement negotiations spanning the past several months. The parties have held face-to-face settlement conferences on multiple occasions, and have exchanged several written draft agreements between them. Counsel for the parties have negotiated a proposed written settlement agreement and have circulated the same for client review, approval,

and signature. Unfortunately, one of the parties (John Hauck, Trustee of the Hauck Family Revocable Trust) is unavailable to review, approve, and execute the parties' agreement for approximately another three (3) weeks due to out of town travel commitments. Consequently, the parties seek to extend the witness disclosure deadline by approximately three (3) weeks, to February 11, 2011. The parties desire that the discovery completion deadline remain March 4, 2011 as previously stipulated.

Because trial in the above-referenced Subcases is not set until May 9 through 12, 2011, the parties are in agreement of extending the witness disclosure deadline until February 11, 2011. Granting this Stipulated Motion should not delay the proceedings in this matter.
