RE: Claim: 75-14054 (Overlapping with Exchange Water in District 75D)
Albert C. & Alvera C. Fols
PO Box 56
Carmen, ID 83462
(208) 756-1535

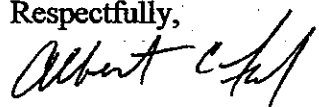

Honorable Eric Wildman,

This water right was Partially Decreed (November 17, 2008) with an incorrect Place of Use (POU) because of incorrect mapping in the *Director's Report, Irrigation & Other Uses, Reporting Area 23, Basin 75* (January 11, 2007). In the *Supplemental Director's Report Regarding Subcase Nos. 75-69A, et al* (January 11, 2010) the POU for our other water rights was corrected.

I request that the Court amend/alter the Partial Decree to reflect the proper POU: T22N R22E S3 LOT 2 (NWNE) for all 9.5 acres under irrigation.

Additionally, we request that the "combined total" language in the amended Partial Decree include all irrigation water rights decreed and/or currently recommended (uncontested) to us.

Respectfully,

 2/11/2011

Albert C. Fols
