RE: Subcase No. 37-363D

Dear Clerk of the Court:

Attached please find the fully executed SF5 for the above referenced subcase. This water right was mistakenly thought to overlap with the Dean Ranch subcases, 37-353 et al and for some time was included in that grouping. When it was discovered that it did not overlap, it was separated and set aside and the subsequent status conference was vacated.

The objection has recently been resolved via the attached SF5 and should be ready for partial decree.

Thank you for your cooperation in this regard. Should you have any questions please contact me at (208) 287-4814.

Sincerely,
