RE: Recording Water Rights for Domestic Purposes

Dear Ms. Vinal,

During our telephone conversation today, you conveyed to me that you have an existing licensed water right for an irrigation well (No. 63-08457) which you now wish to use for domestic purposes in your home. As we discussed, you do not need a Permit in Idaho to use groundwater for domestic purposes. Some people choose to record their domestic water rights, but the process is entirely optional.

I have enclosed a Change of Address form for your use, as we discussed. Please complete and return the form; we will make the changes to your adjudication claims as soon as it is returned.

Sincerely,

Roxanne McCarthy

RE: Notice of Claim to a Water Right
Snake River Basin Adjudication

Dear Mrs. Vinal:

As promised, I have written out a claim form for you to use in filing a claim based on a portion of License 63-08457. I have also enclosed three maps: one is for attaching to the irrigation claim, the second is for use with the domestic claim, and the third is for you to keep with your claim copies.

Please review the claim which I completed to verify that the information accurately describes the water right. If it is correct, please sign the form, having your signature notarized. The filing fee for this claim is \$126. The filing fee for the domestic claim which you completed is \$25. Please retain the yellow copies for your files and send the white copies (with attached maps) to this office with a copy of this letter.

Please do not hesitate to call this office if you have any questions or concerns. If I am not available, there are several other agents in the office who can assist you. The deadline for filing is March 22, 1990.

Sincerely,

Helen Harrington-Thornton
