RE: Subcase No. 75-14540 (Edwards)

Dear Judge Wildman:

It has been brought to IDWR's attention by the U.S. Bureau of Land Management that clerical errors exist on the Partial Decree issued for 75-14540 (Edwards).

The Partial Decree shows the POD for this water right as being described on Forest Service land: T22N, R23E, S02, Lot 4 (SENWNW). The correct description should be listed in Range 22 East, which is private land. In addition, the Partial Decree incorrectly describes the POU as being in T22N, R22E, S02, SENW; the SF5 correctly lists the POU in the SWNW.

The Department requests that the Court set aside and amend the partial decree consistent with this letter.

Sincerely,

A handwritten signature in black ink, appearing to read "G. Baxter", with a long horizontal stroke extending to the right.
