Dear Claimant:

Thanks for the information that you provided to Idaho Department of Water Resources (IDWR) Northern Region office. Your claim has been received, but additional information is needed from you, before IDWR to make an accurate recommendation to the Court.

Please review the enclosed copy of your claim. It is unclear from your claim if it is your intent to claim water rights from, both Bayview Creek and a well, or from a single well. It is also unclear which source of water is being used for irrigation and to provide stock water (livestock) and if your priority date (date water use began) applies to use of a well or Bayview Creek.

Please contact me for an appointment at the IDWR Northern Region office once you have reviewed the records. Please mark the location of your well with a dark 'X' labeled 'WELL' and your home circled and labeled 'HOME' on the attached aerial photo. Please mail the marked photo to me at the IDWR Northern Region office at the address shown above.

I can be contacted at the address shown above or at (208) 762.2800 if you have any questions.

Respectfully,

Shaun M. Maxey
Senior Water Resource Agent
