Subcase No.: 37-2446

Case No. 39576

STANDARD FORM 5

**STIPULATED ELEMENTS OF A
WATER RIGHT**

This form is used to report the stipulated elements of one water right acquired under state law and/or one federal reserved water right. Submission of this form will not automatically result in the issuance of a partial decree. The Presiding Judge or Special Master will conduct any hearing necessary to determine whether the facts, data, expert opinions and law support the issuance of a partial decree for the water right.

The parties agree that the Snake River Basin Adjudication Court has jurisdiction of the parties and subject matter to enter a partial decree for this water right; that they have been served with sufficient process, according to the law; and that they have appeared, prosecuted, and defended their positions with regard to this water right dispute.

The parties and IDWR agree and stipulate that the elements of this water right should be described per the attached. The parties and IDWR have further indicated their concurrence by initialing each of the attached pages.

EXPLANATORY MATERIAL: BASIS OF CLAIM - License

Approval of this transfer no. 68545 authorizes the storage of water within three (3) existing ponds and one (1) new pond to be excavated and developed. The combined storage volume of the four (4) ponds shall not exceed 102 af.

Failure of the right holder to comply with the conditions of this transfer no. 68545 is cause for the Director to rescind approval of the transfer.

Use of water under this right may be affected by agreements between the protestants and the right holder.

The right holder shall accomplish the change authorized by this transfer no. 68545 within three (3) years of the date of this approval.

Use of water under this water right will be regulated by the watermaster of State Water District No. 37.

A lockable device subject to the approval of the Department shall be maintained on the diverting works in a manner that will provide the watermaster suitable control of the diversion.

After specific notification by the Department, the right holder shall install and maintain a measuring device of a type acceptable to the Department as part of the diverting works.
