Dear Mr. Kraft:

Thanks for the water right claim that you provided to the Idaho Department of Water Resources (IDWR) Northern Region office for your property in Kootenai County. You should amend your claim to correct an artificially low amount of water claimed for domestic use. Your amendment is required before IDWR can finish processing your claim and make an accurate recommendation to the Court.

Please refer to the enclosed copy of your claim and a well record for the well supplying your property. Please telephone me as soon as possible to arrange a brief appointment to amend your claim.

I can be contacted via telephone at (208) 762.2800 if you have any questions. Please note that our office in Coeur d'Alene has moved from our former location on Northwest Avenue to the address shown above.

Respectfully,

Shaun M. Maxey
