Dear Claimants:

Thanks for the water right claim that you provided to the Idaho Department of Water Resources (IDWR) Northern Region office for Kootenai County tax parcel 0-5080-003-002-0. Additional information is needed before IDWR can finish processing your claim, determine if you should file an additional claim for water from Hayden Lake, and make accurate recommendation(s) to the Court.

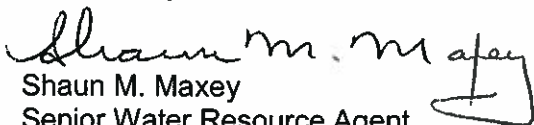

Please refer to the enclosed copy of your claim and the Well Driller's Report that you provided to IDWR. 2009 aerial photomaps are also enclosed.

Please telephone me to arrange an appointment to amend your claim and to provide additional information concerning the use of water from Hayden Lake and the other homes connected to your well. The appointment is needed for you to amend your claim because the claimed quantity is less than .01 Cubic Feet per Second (CFS). This amount of water is less than 4.5 Gallons Per Minute (GPM) and probably will not support three households. IDWR personnel are not authorized to amend your claim.

Please use a heavy black marker to mark the location of your well with a dark 'X' labeled 'WELL' and your home(s) circled and labeled 'HOME' on one of the attached aerial maps. Please bring the labeled map with you to our appointment.

I can be contacted via telephone at (208) 762.2800 if you have any questions. Please note that our office in Coeur d'Alene has moved from our former location on Northwest Avenue to the address shown above.

Respectfully,

Shaun M. Maxey
