Dear Claimant:

Thanks for the water right claim that you provided to the Idaho Department of Water Resources (IDWR) Northern Region office for your Benewah County property. IDWR has not received the claim filing fee of \$25. Additional information and fee payment is required before IDWR can process your claim and make a recommendation to the Court.

Please refer to the enclosed copy of your claim, an October 2006 Well Driller's Report, and an aerial photomap that corresponds to the location for your well that is shown on the Driller's Report.

Please use a heavy black marker to mark the location of your well with a dark 'X' labeled 'WELL' and your home(s) circled and labeled 'HOME' on the attached aerial map. Please write in the correct current Parcel Identification Number (PIN) from your property tax notice(s) for the well location at the top of the map. Please mail the map and your fee payment to my attention at the IDWR Northern region office in Coeur d'Alene.

I can assist you if you wish to schedule an appointment or amend your claim at the IDWR Northern Region office. It appears, based upon the well completion date, that you may be able to claim an earlier priority date (# 2 on Claim Form).

I can be contacted via telephone at (208) 762.2800 if you have any questions. Please note that our office in Coeur d'Alene has moved from our former location on Northwest Avenue to the address shown above.

Respectfully,

Shaun M. Maxey
