Regarding: amended claim for water resources

We wish to amend our claim to indicate we are claiming November 5, 2006 as our priority date. Our well tag number is D0046051 and our domestic use for a single home is for .04 cfs (Cubic Feet per second).

Please note attached aerial photomap that has a dark "x" labeled WELL and a dark circle which marks the location of our domestic use (home, lawn and garden).

Please let us know you received this information and amendment so I can put the proof of receipt in our file.

Mary Burton

A handwritten signature in dark ink, appearing to read "Mary Burton", with a large, sweeping flourish extending from the end of the name.
