Can you take care of the Amended Partial Decree .

Thanks.

Diana,

The Partial Decree was issued on 01-05-11, however the "no fed land" remark is missing which was included in the SF-5. The SMRR was missing this remark as well as a POU, however you found the missing POU and added it back in on the PD. Is this missing remark something the court can fix, or should I get DOJ to file something?
