Paul~

IDWR received late claims for the above two subcases and noticed the claims lacked priority dates. IDWR contacted the claimants and received "amended" claims, complete with priority dates. The hearing for these two is scheduled for 3/15. I have attached the two "amended" claims to this email for the Court's records.

Please let me know if you have questions or need anything else from IDWR related to these two subcases.

Have a good weekend.

Andrea
