Dear Mr. Williamson:

Enclosed is a photocopy of the claim form that you submitted for the Northern Idaho Adjudication (NIA). Your original claim is a legal document that will be reviewed by the Court for the Adjudication and cannot be altered by Idaho Department of Water Resources (IDWR) personnel.

Your point of diversion and place of use must be reviewed by the Court and is missing from the attached claim. Your claimed priority date of May 17, '09 also differs from the correct, already established, priority date of April 30, 1930 for Water Right 95-0818.

Please contact me at the IDWR Northern Region office in Coeur d'Alene to arrange a appointment to amend your claim by correcting the priority date and adding missing information. Please note that our office in Coeur d'Alene has moved from our former location on Northwest Avenue to the address shown above.

Please contact me, if you have any questions, at (208) 762.2800.

Respectfully,

Shaun Maxey
